

7/8th Grade Summer Reading June 10, 2020

Dear Parents and students,

I am contacting you about the required summer reading that we will then discuss at the beginning of school. These two books will be reviewed, and then the children will be tested on them. Both of the book are of historical value with lessons to be learned. The two books are:

Parallel Journeys by Eleanor Ayer
ISBN # 978-0-689-83236-9

The Breadwinner by Deborah Ellis
ISBN # 978-1-55498-765-8

Please purchase these books. They can be ordered from Barnes and Noble, or I am sure through Amazon.

Furthermore, each child is required to **write a summary** of each book. (They may not copy it from the internet or the back of the book.)

If you have any questions, please contact me through my school email(teacher78sjn@ptd.net), which I will check occasionally, or call the school office.

Happy reading,

Mrs. McLaughlin
